

E-commerce & Mail Order Merchants

At one point in time, getting setup to accept transactions electronically was a tedious and time-consuming process, a task that required more expenditure and resources than most businesses had at the time. Times always change however, and today becoming an e-commerce merchant has been made easy with a slew of payment solutions and expert support always there to help you.

Fast Approval Times

Applying and getting set up for a merchant account has never been this easy. UBC promises approvals in 24 hours and installation in 48-72 hours!*

Quick Deposits

UBC offers the ability to receive your deposits in as little as 48 hours!**

Always a Choice

With a vast array of processing solutions to choose from, it is almost certain that you will be able to effortlessly accept as many forms of payment as possible. United Bank Card supports gateways such as Authorize.Net, Paradata, and UBC's own payment gateway.

Customization

UBC offers flexible solutions based entirely on your needs. It is possible to integrate the payment solution with your website or have a completely separate site. A virtual terminal solution is available for businesses that have a website and an order system and only need a method to collect the payment.

Security

All solutions offered by UBC boast Secure Socket Layer (SSL), firewall and password protection, giving you the peace of mind you deserve.

Superior Customer Service

Nominated as an industry leader for customer service, United Bank Card prides itself in providing personalized attention to each merchant up to and beyond the immediate problem resolution.

Knowledgeable Technical Support

UBC retains only the most skilled and experienced Technical Support Representatives, giving you the reassurance of the correct solution the first time around.

24-Hour Support

Maintaining call centers in both New Jersey and Arizona ensures that friendly and reliable service is always just a phone call away.

Prevention is Better Than a Cure

Our proactive chargeback and retrieval department utilizes all its resources to try and prevent a future chargeback and notify you well in advance in order to avoid a problem altogether.

* All necessary documents and information must be submitted at the time of the application to ensure quick approval and installation.
