Applying and getting set up for a merchant account has never been this easy. UBC promises approvals in 24 hours and installation in 48-72 hours!*

Quick Deposits

UBC offers the ability to receive your deposits in as little as 48 hours!**

Always a Choice

With a vast array of processing solutions to choose from, it is almost certain that you will be able to effortlessly accept as many forms of payment as possible.

Increase Revenues

Using the state-of-the-art wireless terminals that UBC has to offer, it is no longer necessary to have a phone line or even a power source to accept credit card payments. Transactions are transmitted wirelessly, using a technology similar to cell phones. You will be able to choose from the Comstar Charge Anywhere handheld unit and the Nurit 3010 and 8000 models.

Having your terminal with you at all times, ready to accept payments means that you will never have to pay the discount rate for keyed-in transactions, which lowers your overall cost structure.

Enjoy the peace of mind of instant approvals, no matter where you are.***
